Founded as a teacher's college over 125 years ago, VCSU is widely respected as having one of the finest teacher education programs in the region. Students have the opportunity to become qualified for nearly any area of K-12 education from the elementary classroom to rapidly growing areas of specialization like ELL and STEM Education.

Valley City State University's School of Education and Graduate Studies offers a Master of Education (M.Ed.) degree with concentrations in Elementary Education, English, Library and Information Technologies, Teaching English Language Learners, Teaching and Technology, and Technology Education. This online program may be completed in two years over six semesters.

EDUC 400. Educational Psychology. 2 Credits.
A study of how students learn and how effective teaching assists the learning process. Units of instruction include learning styles, information processing and cognitive skills development, classroom management, motivation, and assessment of student learning.
Typically Offered: Fall, Spring, Summer.
Prerequisite: Admitted to Teacher Education.

EDUC 430. Diagnosis and Correction of Reading Difficulties. 3 Credits.
A course designed to increase teachers’ knowledge and skills of how to be effective reading teachers. Emphasis is placed on the diagnosis of reading strengths and weaknesses and materials and techniques for corrective/remedial instruction, including preparation on implementing interventions and strategies after the diagnosis of students.
Typically Offered: Fall, Spring.
Prerequisite: Admitted to Teacher Education;
Prerequisite or Corequisite: EDUC 323.

EDUC 431. Practicum in Corrective Reading (Elementary). 2 Credits.
Provides an opportunity for the advanced student to gain firsthand experience in public school remedial reading programs. Knowledge and skills concerning causes, diagnosis, and treatment of reading difficulties are put to practical use by incorporating interventions and strategies for struggling readers.
Typically Offered: Fall, Spring, Summer.
Prerequisite: Admitted to Teacher Education;
Prerequisite or Corequisite: EDUC 430.
Grading: S/U only.

EDUC 432. Practicum in Corrective Reading (Secondary). 2 Credits.
Provides an opportunity for the advanced student to gain firsthand experience in public school remedial reading programs. Knowledge and skills concerning causes, diagnosis, and treatment of reading problems are put to practical use.
Typically Offered: Fall, Spring, Summer.
Prerequisite or Corequisite: EDUC 430.

EDUC 433. Practicum and Assessment in Reading. 1 Credit.
This 30 hour practicum provides an opportunity for the student to gain firsthand experience in public school corrective/remedial programs. Knowledge concerning courses, diagnosis, and treatment of reading problems is put to practical use. Students will have an opportunity to work intensively with individual students or small groups of students who are experiencing problems in learning how to read. This practicum provides pre-service teachers with an opportunity to apply what they have learned in the prerequisite reading courses.
Typically Offered: Fall, Spring.
Prerequisite or Corequisite: EDUC 430.

Methods and materials of SLD is designed to prepare students with information to help them make appropriate decisions concerning students with learning problems. The course is designed to ensure that students (especially students with disabilities) receive the instruction and support (including assistive technology) they need to be successful. Along with learning to establish responsive learning environments (RTI), students will learn to promote social, emotional and behaviors and to teach academic skills adapted to the students unique needs.
Typically Offered: Fall.
Prerequisites: Admitted to Teacher Education and EDUC 340.

SPED 383. Methods and Materials of ED. 2 Credits.
Methods and materials of ED is designed to prepare students with information to help them make appropriate decisions concerning students with emotional or behavioral problems. The course is designed to ensure that students (especially students with disabilities) receive the instruction and support (including assistive technology) they need to be successful. Along with learning to establish responsive learning environments (RTI), students will learn to promote social, emotional and behaviors.
Typically Offered: Spring.
Prerequisites: Admitted to Teacher Education and EDUC 340.
SPED 384. Methods and Materials of ID. 2 Credits.
Methods and materials ID is designed to prepare students with information to help them make appropriate decisions concerning students with cognitive impairments and/or developmental delays. The course is designed to ensure that students (especially students with disabilities) receive the instruction and support (including assistive technology) they need to be successful. Along with learning to establish responsive learning environments (RTI), students will learn to promote social, emotional and behaviors and to teach academic skills adapted to the students unique needs.

Typically Offered: Spring.
Prerequisites: Admitted to Teacher Education and EDUC 240; .
Prerequisite or Corequisite: EDUC 340.

SPED 486. Special Education Student Teaching in SLD, ED, ID, and Assessment. 5 Credits.
SPED 486 Student Teaching (5) Students will spend six weeks teaching students with SLD, ED, and ID disabilities. This course is designed to provide students with a concentrated applied experience teaching in K-12 special education settings. The students will experience the responsibility of a Special Education Strategist under the direction of a university supervisor and a cooperating teacher.

Typically Offered: Fall, Spring.
Prerequisite: Admission to Teacher Education and Student Teaching.
Completion of SPED 333, SPED 340, SPED 380, SPED 382, SPED 383, SPED 384, EDUC 430, PSYC 310.
Grading: S/U only.
