

Business Administration - Managerial Accounting and Finance Concentration

About this Composite Major

Students who successfully complete the Managerial Accounting and Finance concentration demonstrate specialized knowledge in forecasting, planning, and analyzing data, as well as the ability to communicate and present the data in a format useful for decision-making. Graduates will demonstrate the ability to use available technology to apply their knowledge and skills effectively. The concentration is appropriate for those seeking career opportunities in small business management, banking, internal management and control, and a variety of entrepreneurial opportunities.

Meet a Student

"VCSU's Business Department laid an excellent foundation of knowledge which allowed me to excel in my professional life as well as many other areas. From the content we learned in class to the emphasis of teamwork and interactions with other students and professors, I wouldn't be where I am today without the lessons instilled in me through VCSU's Business Department." Isaac Yturralde

Career Opportunities

Career opportunities can include positions such as:

- Accounting Clerk
- Bank Examiner
- Corporate Accountant

- Cost Accountant
- Credit Analyst
- Internal Auditor
- Revenue Agent
- Securities Broker (consultant)
- Bond Broker
- Comptroller
- Financial Consultant
- Financial Manager
- Financial Services Sales Agent
- Loan Officer

Get Involved in your Major

Business Club: There are many ways to get involved in your major. Among other things, you can participate in competitions, attend guest lectures, or join the business club. The goal of the club is to provide opportunities for students to develop the skills, abilities, and leadership qualities necessary to enter and be successful in the workplace. This organization allows business students to network and focus their time and energy on activities that will enhance their educational experiences and better prepare them for the job market.

Practical Experience

Students are encouraged to earn credits by extending their learning beyond the classroom. Job shadowing opportunities exist that allow students to observe the performance of employees in careers related to their area of study. Students will have the opportunity to participate in tours, workshops, fairs, and conferences.

An internship can be a part of a student's academic program and can take place any semester after sophomore year for up to 12 credits. Student interns gain hands-on workplace experience, have opportunities to network with professionals, and may be offered a full-time position. Area organizations that have offered internships to VCSU students include Bank Forward, Dakotah Bank, Doosan Bobcat, F.E.I., Eide Bailly, John Deere Seeding Group, Office of the State Auditor, Shyenenne Care Center, Stoneridge Software, Valley City Public Schools, and Valley Wealth Management.
