Music Major

The BA/BS in Music: General Studies Concentration is designed to give students a flexible approach to their undergraduate study. In addition to the core classes required of all music majors, students use electives to craft a degree program to suit their interests. Each student will end their music studies with an academic capstone project. Many music graduates work as professional performers, artists, and teachers. The BA/BS in Music is also an effective pre-professional degree, serving as a gateway to graduate studies, law school, or medical school.

Practical Experience

There are many venues for students to share their performance abilities: Concert Choir, Concert Band, Athletic Band, Jazz Ensemble, University Singers, Wind Ensemble, and Opera Ensemble.
