## Program Fact Sheet

## Spanish Minor

The Spanish minor rewards those who wish to learn a second language with a pathway to fluency as well as serving as a perfect minor for anyone looking to add value to their occupational profiles. Spanish speakers are highly sought after in careers as varied as health care and marketing and much in between-government work, social work, human services careers, web design, business generally, and education-to name a few, and the soft skills involved in learning a language bring many additional benefits as well.
