

# Associate of Arts - Mathematics Concentration

## About this Degree

The Associate of Arts with a concentration in mathematics is designed for students interested in transitioning into a bachelor's degree program that requires a mathematical focus. Individual students can build a customized plan of study that will include coursework in the calculus sequence, linear algebra, and probability & statistics, as well as additional courses in math, science, and/or computer science.

## Contact Information

### Department Chair and Faculty Contact

Dr. Jamie Wirth, jamie.wirth@vcsu.edu, (701) 845-7734

### Department Location

Rhoades Science Center 132, (701) 845-7645

### Schedule your visit today!
